ORCHARD FESTIVAL CELEBRATES 22 YEARS!

A NOTE FROM OUR FESTIVAL CHAIR, MARCIE SKELTON

I would like to invite you to experience the magic of the 22nd Annual Dairyville Orchard Festival, on October 19, 2019, from 10am - 4pm. This small community has banded together once again to organize this wonderful event that celebrates the bounty of this land with our neighbors, for the noble cause of raising scholarship funds.

I wish to express my deepest thanks to everyone that chose to step up and keep this tradition alive. I have been asking for your help Dairyville, and I am grateful for those that have said yes! I truly believe in the power of a strong community and its traditions are major contributors to what shape and build the outcome of those that reside there. So many have conveyed to me the powerful connections they too have to with Dairyville, Lassen View School, and the Dairyville Orchard Festival! We definitely have something special here in this small community. As years go on, the committee that organizes this event changes and new volunteers are crucial for this event's continued success - I urge you to find a way to get involved as well! Volunteers can sign up electronically at www.signup.com/go/RTRPPAA.

The 2019 Orchard Festival will feature over 60 crafters and local artisans, a spectacular selection of local fruit and nut products as well as local olive oil and honey, a variety of talented entertainers, a silent auction, raffle, Little Farmers' Corner, new and antique tractor exhibits, lunch and much more. I hope to see you at Lassen View School off Hwy 99E in the heart of Tehama County's walnut orchards.
