## ORCHARD FESTIVAL CELEBRATES 26 YEARS!

A NOTE FROM OUR FESTIVAL CHAIR, MARCIE SKELTON

Greetings! I'm Marcie Skelton, serving as the chairperson for the Dairyville Orchard Festival. My journey with this festival began during its 11th year, and now we're proudly celebrating its 26th year. Throughout my involvement, I've been consistently impressed by the incredible committee that transforms this event into a reality for our community. Together, we've achieved remarkable feats.

Our committee's primary objective is to orchestrate an event that not only brings together exceptionally skilled crafters and diverse artisans but also establishes a flourishing agricultural marketplace. In addition, we spotlight talented musical performers and organize a raffle and silent auction. This winning formula has proven successful. To date, the Dairyville Community Club has granted a remarkable total of \$327,000 in scholarships!

Our community's tribute to local agriculture is a genuine celebration of our close-knit community, honoring the unwavering dedication and resilience of the farmers who proudly call Dairyville and Tehama County their home. We do so with a focus on the future, as we wholeheartedly support the educational aspirations of our community members.

Lassen View School is continuing some exciting expansion and upgrades to their campus. This means the layout of the Festival will look a little different again this year as we continue to modify the set up to accommodate the growing school and Festival. **The Dairyville Community Club wants to extend a warm thank you to Lassen View School for 26 years of welcoming accommodations, we could not have done this without your continued support!**

In closing, I invite you to attend the 26th Annual Dairyville Orchard Festival, on October 21, 2023. The event is held at Lassen View School (10818 Hwy 99E, Los Molinos, Ca) from 10am to 4pm. Parking is free and so is admission. Follow the signs for safe and easy parking behind the school. We have a bustling Ag Store full of local nuts and prunes, local musicians showcasing their talent, artisan craft vendors, a delicious array of food vendors to try and so much more. Come help us raise scholarship funds and spend an enjoyable day in Dairyville!

## MUSICAL LINE-UP

The 2023 Dairyville Orchard Festival's entertainment lineup features a mix of beloved veteran performers and exciting new additions!

The morning will commence with a performance by Lassen View School's "The Pride," followed by Cisco & Friends and Max Story. In the afternoon, we will enjoy the music by Danny Gallino, RBHS Forte Choir, and Linda Roland. The highly anticipated Youth Talent Show will take center stage, featuring talented local performers aged 21 and under at 2:30pm.

We extend our heartfelt thanks to all those who generously contribute their talents to the Festival, including our entertainers and the invaluable sound and technical expertise provided by Casey and Michelle Hickok! A special thanks to our event MC, Kim Hickok, who keeps the day rolling along and everyone well informed.

## AG MARKETPLACE

We cordially invite you to visit the Dairyville Orchard Festival Agricultural Marketplace tent, a prominent white tent near the entrance of the Festival. This Marketplace is meticulously organized and operated by volunteers, with all proceeds going toward supporting the Festival's Scholarship Program, administered by the Dairyville Community Club, Inc.

Within the Marketplace, you'll discover a delightful array of locally crafted goods, including perennial favorites like walnuts, almonds, pecans, and pistachios. Additionally, our tables are stocked with various dried plums and our renowned Dairyville Chocolate Dipped Prunes.

This is a unique, once-a-year opportunity to replenish your pantry with these delectable Dairyville Orchard Festival products. It's also a chance to connect with your fellow community members because, as we've seen, when our small community works together... BIG THINGS HAPPEN!

## California Women for Agriculture Returns with Buttercup & Milk

Buttercup is a wonderful agvocate and has encouraged many folks both young and old to experience a hands on agricultural experience. Be sure to swing by and visit Buttercup at the upcoming Dairyville festival. Cartons of delicious cold milk will be available for free!

## VENDORS & COMMUNITY BOOTHS

The Dairyville Orchard Festival Committee is working tirelessly to make this a TREMENDOUS FESTIVAL! Our community has been very supportive, booth, vendor and food truck interest is very high. We will have over 50 craft vendors, many community services organizations represented and we will have food trucks on-site as well as sweet treat vendors. Cal Fire's fire engine will be on display, Author's Alley is back this year, as well as the Tehama County 4-H Program will be highlighting their program. Guaranteed to have something for EVERYONE!

We are looking forward to a beautiful day and cannot wait to see you!
